

## CUSTOMS AUTHORIZATION

### to create customs declarations

Hereby order and authorize the company until written revocation

ontour transport service GmbH, Seinstr. 1, 65479 Raunheim,

to clear the incoming and outgoing shipment(s) for us in our name and for our account in accordance with Article 18 of the Union Customs Code, to submit the customs declaration and the customs value declaration, to sign these papers with legally binding effect, applications for import and export documents and for reimbursement and remission - if necessary - to provide in our name and to accept any import duties to be reimbursed to us.

The Signatory confirms:

- We are the buyer or seller of the goods to be registered / we act on the authority of the buyer or seller.
- We undertake to assume and pay all duties and expenses incurred by the principal in connection with customs clearance.
- We are aware of the "Customs Value" leaflet on Form D.V.1. We undertake to observe all circumstances relating to the customs value mentioned herein and any subsequent changes and to notify our authorized representative in good time before submitting the customs value declaration. A relationship within the meaning of Article 127 UCC implementing act does / does not exist.
- We hand over all documents necessary for customs clearance in individual cases to our authorized representative. This includes, in particular, import permits, licenses and valid proof of origin if we would like to make use of tariff preferences.
- We will inform you of the customs tariff number and the description of the goods separately in good time. If no customs tariff number is available at the time of the import declaration, the authorized representative is entitled to determine independently based on the information available to him. We undertake to provide the authorized agent with existing binding tariff information or issued to us at a later point in time without being requested to do so, and to inform the authorized agent in good time if a binding customs tariff information becomes invalid.
